

CORE's Refugee Communications Resource Catalog provides a list of all resources available on CORE's Resettlement Navigator website: www.corenav.org

The resources in this catalog are organized into two categories: United States Refugee Admissions Program (USRAP) and Cultural Orientation (CO). Specific USRAP and CO topics are presented as "suites" with the same information available as a printable PDF fact sheet, a podcast, and/or video in multiple languages to accommodate literacy levels and digital access.

Service providers and all refugee resettlement staff are encouraged to direct refugees toward these resources and to use them to reinforce face-to-face CO instruction and communications touch points with refugees. CORE will update this catalog as new resources and languages are added. Please sign up for CORE's eNewsletter [here](#) for updates.
