

HOW TO DOWNLOAD PODCASTS FROM CORENAV

OVERVIEW

The CORE Resettlement Navigator (<u>www.corenav.org</u>) website presents a wealth of content as "suites" in multiple languages and in multiple formats (videos, podcasts, and fact sheets). The following document provides instructions on how to download CORE podcasts for offline use. If you have any trouble accessing any podcast files, or cannot download a specific file, please contact the CORE team at COResourceExchange@rescue.org.

DOWNLOAD INSTRUCTIONS

- Go to the CORE Resettlement Navigator COREnav website: <u>corenav.org</u>. Once on COREnav, select your preferred language. After selecting your language, select either the United States Refugee Admissions Program (USRAP) or Cultural Orientation for Refugees.
- 2 Next, navigate to the podcast you would like to download. There are two ways to find the podcasts: by selecting a specific topic on the USRAP or Cultural Orientation for Refugees sections of the COREnav website, or by using the "Resources for Providers" page which can be found through the menu on the top right corner of the page. More instructions on these two options are below:

 podcasts in all languages. Once on the topic page, click the blue "Listen" icon to bring you to the podcast page. 	Once on the Resources for Providers page, click the blue "Listen" icon to filter all podcasts available on COREnav. You can also filter by topic and language by using the dropdown search features on the page.
	To select a podcast, find the podcast you'd like to download and click the "Listen" button. This will bring you to the podcast page.

Once you have located the specific podcast you would like to download, you can directly download the podcast from the COREnav website by locating the down arrow button at the top right corner of the audio file and clicking it. This will prompt the download to start.
