1 Full Name

2 Status

The AR-11 asks clients to select whether they are Visitors, Students, Permanent Residents, or Others (Specify). Refugees will select “Other” and Specify “Refugee”. Once they become green card holders, they will select “Permanent Resident”.

3 Country of Citizenship

Clients will select their passport holding country, or the country they are originally from. For example, if a Congolese client came to the United States through Tanzania, they would mark their Country of Citizenship as Democratic Republic of Congo, not Tanzania.

4 Date of Birth

5 Alien Registration Number

A nine-digit number clients can find on their I-94. Sometimes the alien number will be clearly identified by the letter “A” in front of the digits or will be listed as a “passport number” on the I-94.

6 Present Physical Address

Since the AR-11 is completed AFTER clients move, the present physical address will be their new address.

7 Previous Physical Address

Client’s old address.

8 Mailing Address - *optional*

If clients moved to a new address but are sending their mail to another address, they would list the separate address where they are receiving mail in this section. If not, clients leave this portion blank.
