

Action Plan Checklist

Download the Action Plan Checklist and identify opportunities outside of Cultural Orientation sessions to reinforce Cultural Orientation messaging.

As you review, you may customize the list to fit the needs of your organization.

Print, hang, and share resources

- Bring fact sheets and waiting room resources on circuit rides, airport pick-ups, and home visits
- Print and display fact sheets on a waiting room table or in a display case for refugees to read and take home
- Print and hang palm cards, posters, flyers, and fact sheets around the office or training spaces
- Display resources in cultural or religious centers, libraries, or other locations regularly accessed by newcomers
- Place fact sheets in handouts or information packets
- Distribute fact sheets, posters, and palm cards to other community centers and housing areas newcomers frequent

Use Settle In website resources

- Bookmark the Settle In website on client devices
- If you have language-specific needs, create your own YouTube playlist using CORE's videos to tailor messages to your population
- Play Settle In videos on a loop in waiting rooms or other office spaces
- Embed Settle In videos on your website
- Play Settle In videos or podcasts during Cultural Orientation, car rides, airport pickups, and other appointments
- Encourage staff and community partners to bookmark and share Settle In website resources

Use the Settle In mobile app to reinforce learning

- Use the **Activity Bank** to learn how to incorporate the Settle In mobile app during Cultural Orientation
- Assign Settle In mobile app chapters as homework for newcomers
- Download the Settle In mobile app onto newcomer mobile phones or tablets
- Download the Settle In mobile app onto organization-owned tablets or phones
- Promote the Settle In mobile app to new staff, interns, interpreters, and volunteers
- Use the Settle In mobile app during caseworker appointments and at-home Cultural Orientation
